

AGTech Wins Lottery Hardware Bids in Two Provinces of China

(Hong Kong, September 23, 2019) – **AGTech Holdings Limited** (“AGTech” or the “Company”, HKEX stock code:08279) is delighted to announce that its wholly-owned subsidiary, Beijing AGTech GOT Technology Co., Ltd (“AGTech GOT”) has won the sports lottery terminal procurement bidding projects in Jiangsu and Heilongjiang provinces of the People’s Republic of China recently. The lottery terminals will be supplied to the sports lottery administration center of the two provinces. The successful bids further strengthened the Company’s leading position in China’s sports lottery hardware market and demonstrated the continued competitiveness of AGTech’s lottery terminals.

John Sun, Chairman and Chief Executive Officer of AGTech said, “So far, AGTech GOT has already won many tenders in various provinces, municipalities and autonomous region across China, further reaffirming our hardware division’s continued dedication to and leading position in China’s lottery industry. AGTech will continue to enhance product innovation, ensure safety and R&D compliance, and contribute to the overall healthy development of China’s lottery market.”
